

Sponsored sign-in for Share Radio - through The Share Centre

Whether you're new to Share Radio, or a long-standing listener, you'll need to make a fresh activation in order to continue to receive the audio stream and access our 7,000 programme podcast library. Normally this costs £4.99/mth, however we've made arrangements with The Share Centre to make this free, and as easy as possible, by visiting share.com/shareradio.

1. On this page, there's a prominent 'Listen for FREE' button, but please don't click on it until you've cleared any existing Share Radio cookies from your browser window!
